

SELECTED PUBLICATIONS - ACTIVE RESEARCH AREAS

SULFUR PRODUCT PROPERTIES, SPECIFICATIONS AND ENVIRONMENTAL ISSUES

Some Impurities in Elemental Sulphur - Origins and Elimination

J.B. Hyne

Proceedings of Sulphur '91, November 17 - 20, 1991, New Orleans, USA

ASR Quarterly Bulletin

Vol. XXVII, No. 4, January - March 1991, pp. 1 - 13

Taking "Responsible Care" of Sulfur: The Key Role of the MSDS

J.B. Hyne

ASR Quarterly Bulletin

Vol. XXXII, No. 1, April - June 1995, pp. 29 - 43

A Review of Solid and Liquid Sulfur Specifications with Emphasis on Handling and Transportation

P.D. Clark

ASR Quarterly Bulletin

Vol. XXXIII, No. 1, April - June 1996, pp. 1 - 14

Sodium Lauryl Sulfate - A Biocide for Controlling Acidity Development in Bulk Commercially Formed Sulfur

J.B. Hyne, E.J. Laishley and R.D. Bryant

ASR Quarterly Bulletin

Vol. XXXIII, No. 1, April - June 1996, pp. 29 - 41

Technical and Commercial Impacts of SO₂ Emissions Reduction in Sulfur Plant and Refinery Operations

P.D. Clark

ASR Quarterly Bulletin

Vol. XXXII, No. 1, April - June 1995, pp. 1 - 10

Absorption of Heavy Metals and Salt Accumulation by Elemental Sulfur in Aqueous Environments

S. Wilson, J.R. Simion and P.D. Clark

ASR Quarterly Bulletin

Vol. XXXII, No. 4, January - March 1996, pp. 30 - 50

Influence of Added De-Foamer on SLS Efficacy as a Biocide

F. Bernard and N.I. Dowling

Vol XLII No. 2, July - September 2005, pp. 57 - 60
